Why host an Official Tournament?

Hosting Guidelines

The following guidelines must be met in order to be an official tournament host and receive the benefits thereof.

Tournament hosts must be familiar with the Tournament Host Guide found at *www.cactusgamedesign.com/downloads*

An application form and payment for the registration fee made out to Cactus Game Design, Inc. must be sent (postmarked) no later than six weeks before the tournament date. If your application is received less than five weeks before your tournament date we will NOT be able to officially sanction it.

Hosts are required to offer 1 category of play at Seasonal Tournaments and 3 categories at State and Regional events. One category offered at State and Regional must be Type 1 -2 Player Limited or Unlimited.

Registration fees are as follows:

- Seasonal tournament: $30 for 1 category; $10 for each additional category
- State tournament: $60 for 3 categories; $10 for each additional category
- Regional tournament: $70 for 3 categories; $15 for each additional category
- National tournament: $200 for all 6 categories

After the application and payment have both been cleared, you will receive a packet of materials that will contain:

- Special promotional tournament cards
- Address sheets
- A winner sheet
- 3 (8 x 11) posters
- Prizes for winners (card boxes based on your selection)
- A postage-paid envelope to return un-issued promotional cards, players addresses and winner sheet. (PLEASE NOTE: If additional postage is required, due to extra prizes from canceled categories, the extra postage is the responsibility of tournament host.)

At the beginning of the tournament you will need to register all players. Have each player PRINT (clearly) his/her address on the enclosed sign in sheet. As each player does so, they are given a promotional Redemption card. Each player then needs to sign on the line under his/her address to verify that the promo card has been received.

WARNING: The returning items MUST be sent back to Cactus Game Design immediately following the tournament. RNRS points will be not be awarded until these items are returned. If you return these items later than five weeks after your tournament, your results may be voided and you might lose the privilege to host future Redemption tournaments.
